

Using her bare feet, her loop station, and her electric cello, **Brianna Tam** envelops listeners in her mesmerizing symphonic realm while simultaneously capturing their hearts with her authentic personality.

In 2021, Brianna had the privilege of hosting a riveting TEDx Talk performance. In early 2023, she was selected as a Top Shelf performer for NPR's Tiny Desk Contest. Most recently, she was the recipient of a grant which allowed her to engage in an Artist Residency with the Blowing Rock Art & History Museum.

In 2023, Brianna's score for feature film *Wild Fire* was awarded "Best Soundtrack" at the 2023 Red Dirt Film Festival. She has also composed for the biopic *Healing Waters* (2022), as well as the game, *The Gold Crow* (2022). Brianna's inspiring single, "Bioluminescence," was awarded First Place for the 2022 International Songwriting Competition. Brianna composes for companies such as Bleeding Fingers, Eternal Music Group, and Artlist Original.
