

Electric cellist and composer Brianna Tam uses her loop station in order to envelop listeners in her epic symphonic realm. She was recently selected as a Top Shelf performer for NPR's 2023 Tiny Desk Contest. Previously, she delivered a mesmerizing TEDx Talk performance in North Carolina.

Her gift of world-building has landed Brianna in the role of composer for the films *The Tannery* (post-prod), *Wild Fire (2023)*, and *Healing Waters (2022)*. Brianna was recently awarded First Place for the 2022 International Songwriting Competition. Brianna is a signed composer for both Eternal Music Group and Artist Original.
